Cambridge International Advanced Subsidiary Level 8670 French Literature November 2012 Grade Thresholds

## **FRENCH LITERATURE**

## GCE Advanced Subsidiary Level

www.papacambridge.com Grade thresholds taken for Syllabus 8670 (French Literature) in the October/November 2012 examination.

	maximum mark available	minimum mark required for grade:				
		А	В	E		
Component 42	75	45	41	31		
Component 43	75	45	41	31		

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

The thresholds for the syllabus are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds.

The maximum total mark for this syllabus is 75.

For this syllabus in this series the grade thresholds were as follows:

Option	Combination of components	а	b	С	d	е
Y	04	45	41	37	34	31
Z	04	45	41	37	34	31

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
