**WHITENESS ALONE WON'T DO!**

# OMO makes whites Bright!

**"This'll shake you, Mother!"**

Fancy saying all washing powders were the same! You can't say that any more—not after you've seen Omo-brightness. Whites boiled with Omo are more than clean and white. They're bright. Actually *bright!*"

Yes, she's right about Omo. This wonderful new detergent really does add brightness to whiteness.

This exciting new Omo-brightness puts ordinary whiteness completely in the shade. Many powders get things clean and white. Omo does this—and much more. Omo-boiled whites are clean, white and bright as well! Yes, brilliantly *bright!*

Today millions of women insist on this extra Omo-brightness, every washday. One packet—and you'll be an Omo fan, too!
