## GCSE <br> PHYSICS

Foundation Tier Paper 1

## 8463/1F

## Wednesday 23 May 2018 Afternoon

Time allowed: 1 hour 45 minutes
For this paper you must have:

- a ruler
- a scientific calculator
- the Physics Equations Sheet (enclosed).

At the top of the page, write your surname and other names, your centre number, your candidate number and add your signature.
[Turn over]

## BLANK PAGE

## INSTRUCTIONS

- Use black ink or black ball-point pen.
- Answer ALL questions in the spaces provided.
- Do all rough work in this book. Cross through any work you do not want to be marked.
- In all calculations, show clearly how you work out your answer.

## INFORMATION

- The maximum mark for this paper is 100.
- The marks for questions are shown in brackets.
- You are expected to use a calculator where appropriate.
You are reminded of the need for good English and clear presentation in your answers.
