

# Host Centres for GCE Modern Foreign Language Speaking Tests

GCE French (7651/7652) GCE German (7661/7662) GCE Spanish (7691/7692)

---

Summer 2022

## Host centre

- A centre that is willing to allow candidates from other centres to be assessed at their centre. They supply the room and equipment for all the candidates being assessed. They liaise with the visiting examiner and visiting centres to decide a convenient date and time for all candidates taking the tests at their centre. Host centres and visiting centres should work together to arrange a suitable date for the tests.
- Host centres co-ordinate the timings of the tests, taking into account all candidates from visiting centres.
- Host centres are responsible for supplying the appropriate accommodation and equipment, for example the waiting room, preparation room, testing room.
- On the day of the test host centres should make the examiner aware when all candidates are present.

## Visiting centre

- A centre whose candidates have to be tested at a host centre in their area because they have fewer than 8 candidates for any language, across both specifications. The candidates are escorted to the host centre by a responsible adult, who should take with them the attendance list for their centre.
- Visiting centres will need to give correct information about their candidate entries to the host centre before the test date is confirmed with the visiting examiner.
- Visiting candidates should report to reception on arrival at the host centre on the day of the tests and will then be shown to a waiting area.
- Entries for candidates having to take their tests at a host centre should be made by their own centre and not by the host centre.

### **Visiting examiners**

- They visit centres to conduct and mark the speaking tests. The date of the tests is arranged with the centres in their allocation. All testing material for the centres is provided by the visiting examiner on the day of the tests.
