

**8001 AS General Paper  
November 2010 and onwards**

Teachers are reminded that Paper 1 and Paper 2, currently in the same examination question paper, are being separated and will be taken on different days. Paper 1 will be 1 hour 15 minutes long and Paper 2 will be 1 hour 30 minutes long.

This change is being made so that candidates who are ill and miss one component can still be graded on their other paper and receive an AS qualification.

No other changes are being made and the syllabus remains unaltered.

This change starts with the October/November 2010 examinations.
