

PHYSICS

GCE Advanced Level and GCE Advanced Subsidiary Level

Grade thresholds taken for Syllabus 9702 (Physics) in the October/November 2006 examination.

	maximum mark available	minimum mark required for grade:		
		A	B	E
Component 1	40	35	32	24
Component 2	60	36	32	18
Component 3	25	20	18	13
Component 4	60	33	28	14
Component 5	30	22	20	14
Component 6	40	28	25	11

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
