www.PapaCambridge.com Michael Ong started a business on 1 July 2007. He had very little knowled bookkeeping, but attempted to prepare a set of final accounts at the end of his first year. 2 trading.

The final accounts Michael prepared, containing errors, are shown below.

Trading and Profit and Loss Account					
	\$	\$			
Sales of goods Sale of motor vehicle (AB 246) at book value	80 000 <u>2 000</u>	82 000			
Purchases of goods Purchase of new motor vehicle (CD 357)	60 000 <u>8 000</u> 68 000				
Closing stock of goods Gross profit	<u>12 000</u>	<u>56 000</u> 26 000			
General expenses Bad debts Net profit	10 800 <u>200</u>	11 000 15 000			
Balance Sh	eet				
Equipment Bank Debtors Closing stock of goods Purchases of stationery Commission received		\$ 2 000 1 000 7 000 12 000 200 500			
Creditors Capital (balancing figure)		22 700 17 000 5 700			

## **REQUIRED**

(a)	(i)	Explain the difference between capital expenditure and revenue expenditure.	
			•••
			••
			2

	(ii)	Explain the difference between capital receipts and revenue receipts.
		[2]
(b)	Cal	culate the corrected net profit of Michael Ong for the year ended 30 June 2008.
		Michael Ong Statement of corrected net profit for the year ended 30 June 2008
		[5]

On 1 July 2008 Michael Ong started to maintain a set of double entry records. A trial balance drawn up on 30 September 2008 failed to balance. Michael entered the difference on the trial balance in a suspense account.

#### **REQUIRED**

(c)	State <b>one</b> reason why it is necessary to open a suspense account when the totals of trial balance fail to agree.	Origi
		[1]

The following errors were later discovered:

- 1 Goods returned to J Chan, \$20, had been incorrectly entered in the account of J Chua, another supplier.
- 2 A cheque for the sale of equipment, \$400, had been debited to the bank account, but no other entry had been made.
- 3 Goods for Michael's own use, \$100, had been debited to both the purchases account and the drawings account.
- 4 On 15 September 2008, \$50 had been received from W Lee. This amount was incorrectly debited to the bad debts account and credited to W Lee's account. W Lee's account had been written off as a bad debt on 30 June 2008.

#### **REQUIRED**

(d) Complete the following table to show the entries required to correct the above errors.

The first one has been completed as an example.

	account(s) to be debited	\$	account(s) to be credited	\$
1	J Chan	20	J Chua	20

5 Salim and Rita Jaffer are in partnership. Their financial year ends on 31 July. They profits and losses equally. It was agreed that a current account and a capital account we be kept for each partner.

The profit and loss account for the year ended 31 July 2008 showed a net profit of \$15 500. The accountant was unable to prepare the balance sheet immediately because of illness.

Salim has very little knowledge of bookkeeping, but attempted to prepare a balance sheet at 31 July 2008. The balance sheet he prepared, containing errors, is shown below.

#### Balance Sheet at 31 July 2008

Premises at cost Equipment at book value 1 August 2007	\$	\$ 95 000 13 000
Stock 31 July 2008		8 200
Debtors Drawings - Salim Jaffer	7 700	6 600
Rita Jaffer	<u>6 220</u>	13 920
		<u>136 720</u>
Creditors		6 800
Provision for doubtful debts		330
Net profit for the year		15 500
Capital accounts 1 August 2007 - Salim Jaffer	40 000	
Rita Jaffer Current accounts 1 August 2007 - Salim Jaffer	<u>60 000</u> 3 400 Cr	100 000
Rita Jaffer	6 100 Cr	9 500
		132 130
Balancing figure		<u>4 590</u>
		<u>136 720</u>

The following matters were then discovered.

1 No adjustment had been made in the balance sheet for the following:

	\$
Accrued expenses	620
Prepaid expenses	430
Depreciation of equipment	1500

These items had been correctly recorded in the profit and loss account.

2 The bank balance had been omitted from the balance sheet. On 31 July 2008 the cash book showed a bank overdraft of \$2900 and the bank statement showed an overdraft of \$2200. All the transactions appearing on the bank statement had been recorded in the cash book.

For iner's

### **REQUIRED**

(a) Use the space on page 18 to prepare a corrected balance sheet for Salim and Rita Jaffer at 31 July 2008.

www.PapaCambridge.com The balance sheet should be shown using a suitable form of presentation, showing the different types of assets and liabilities, the working capital and the capital and current accounts of each partner.

The calculation of the current account balances may either be shown within the balance sheet or as separate calculations. You may use the space below for your workings. (Your answer should be shown on page 18.)

On 1 August 2008 the balances on the partners' capital accounts were the same as on 1 August 2007.

On 1 August 2008 Rita transferred \$4000 from the credit balance on her current account to her capital account.

On 31 August 2008 Salim paid an amount into the business bank account so that his capital was equal to Rita's.

### **REQUIRED**

b)	Write up the partners' capital accounts as they would appear in the ledger for the month of August 2008.
	Where traditional "T" accounts are used they should be balanced and the balances brought down on 1 September 2008. Where three column running balance accounts are used the balance column should be up-dated after each entry.
