Paper 2 Graphic Products			For Exa	For Examination from 2015					
								1	hour

Candidates answer on the two inserted A3 Answer Sheets.

Additional Materials: Standard drawing equipment

### **READ THESE INSTRUCTIONS FIRST**

Write your Centre number, candidate number and name in the spaces at the top of this page and on the two Answer Sheets.

Do not use staples, paper clips, glue or correction fluid.

### Section A

Answer **all** questions in this section (A1, A2 **and** A3). **Section B** Answer **one** question in this section (B4 **or** B5). You may use a calculator.

Draw your answers in the spaces provided on the answer sheets. All construction and projection lines must be clearly shown. All dimensions are in millimetres.

At the end of the examination, insert both sheets into this booklet. Do **not** punch holes in the cover and sheets or tie with string.

The total of the marks for this paper is 50. The number of marks is given in brackets [] at the end of each question or part question.

This document consists of an A3 cover booklet and 2 inserted A3 sheets.
