## **DEVELOPMENT STUDIES**

## **International General Certificate of Secondary Education**

www.PapaCambridge.com Grade thresholds taken for Syllabus 0453 (Development Studies) in the October/November 2012 examination.

	maximum	minimum mark required for grade:				
	mark available	Α	С	E	F	
Component 1	80	59	46	33	29	
Component 2	80	58	46	37	30	

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is normally set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it.

Grade A\* does not exist at the level of an individual component.

The thresholds for the syllabus are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A\* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is **160**.

The overall thresholds for the different grades were set as follows.

Combination of components	<b>A</b> *	Α	В	С	D	E	F	G
01, 02	130	117	104	92	81	70	59	48

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
