### 0500 FIRST LANGUAGE ENGLISH

0500/03 Paper 3 (Directed Writing and Composition), maximum raw mark 50

This mark scheme is published as an aid to teachers and students, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

The grade thresholds for various grades are published in the report on the examination for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses.

CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the October/November 2006 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

Band 2	7-8	Good evaluation and clear judgement of the choices. Sound reading between the lines. Good use overall of material with some ideas derived from the wording of the material.
Band 3	5-6	A number of points developed to make a satisfactory, logical choice for support. Fair overall grasp of material, with some evaluation.
Band 4	3-4	Completes task by selecting a few relevant points rather literally. Opportunities to consider the information not fully taken.
Band 5	1-2	Parts of the answer are relevant, though material may be repeated injudiciously.
	0	Answer does not relate to question and/or too much unselective copying directly from the material to gain a mark in Band 5.

Remember that these marks will not necessarily match and one mark may well be higher than the other.

(e.g.) C7 + S10 = 17 (C for 'Content', S for 'Style').
