UNIVERSITY OF CAMBRIDGE INTERNATIONAL EXAMINATIONS International General Certificate of Secondary Education

## www.papacambridge.com MARK SCHEME for the October/November 2008 question paper

## 0460 GEOGRAPHY

0460/02

Paper 2, maximum raw mark 60

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the October/November 2008 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

Pa	ige 2	Mark Scheme	Syllabus	er
		IGCSE – October/November 2008	0460 20	C
(a)	(i)	landing strip, no alternatives.	Syllabus 0460	ambr
	(ii)	(sugar) factory,		
	(iii)	sugar,		[1]
	(iv)	cultivation and (other) plantation,		[1]
	(v)	Sèche,		[1]
	(vi)	main B/B/B59, main alone = 0.		[1]
(b)	(i)	west to east.		[1]
	(ii)	meanders/bends, allow alternative wording.		[1]
	(iii)	3200 – 3800 (metres).		[1]
(c)	3 arr	ows correctly placed on topographic profile		
	Allow (i	able tolerances, measured from left side of profile: ) 18–22 mm,		

- (i) (ii)
- 18–22 mm, 117–120 mm,
- 146–150 mm. (iii)

Allow arrows labelled by number or name. If arrows not within 5mm of profile max 2. Not shown by arrows, e.g. by crosses, max 2.

## (d) 4 correctly placed ticks

		Coastline <b>south</b> of Trou d'Eau Douce	Neither of these areas
Bays and river mouths		$\checkmark$	
Very sandy	$\checkmark$		
Areas of mangrove		$\checkmark$	
Cliffs			$\checkmark$

More than one tick per row = 0.
