CANDIDATE NAME		
CENTRE NUMBER	CANDIDATE NUMBER	Ξ
INFORMATIO	AND COMMUNICATION TECHNOLOGY	0417/11
Paper 1		October/November 2012
		2 hours
Candidates and	swer on the Question Paper.	

Candidates answer on the Question Paper.

No Additional Materials are required.

READ THESE INSTRUCTIONS FIRST

Write your Centre number, candidate number and name on all the work you hand in. Write in dark blue or black pen. You may use a soft pencil for any diagrams, graphs or rough working. Do not use staples, paper clips, highlighters, glue or correction fluid. DO NOT WRITE IN ANY BARCODES.

No marks will be awarded for using brand names of software packages or hardware.

Answer all questions.

Ŧ

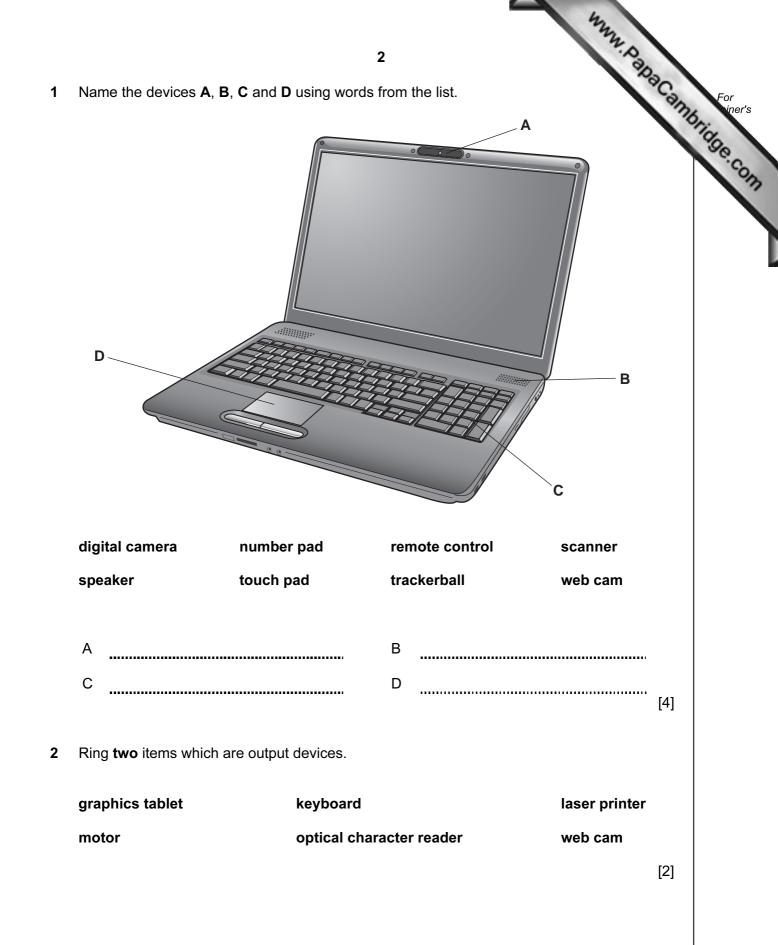

ъ

At the end of the examination, fasten all your work securely together. The number of marks is given in brackets [] at the end of each question or part question.

For Examiner's Use			

This document consists of 12 printed pages.

Tick True or False next to each of these statements. 3

	[3]

After collecting information, Louise noticed that Mario sells both non-fiction and fiction books in hardback and paperback. She also discovered that no books cost more than \$20. She wrote down some of the questions that customers ask, such as:

Have you got any non-fiction books by Arthur C Clarke? Have you got the hardback version of 'Harry Potter and the Philosopher's Stone'? Have you got any books for less than \$10?

(b) Complete the design table below filling in the field names and most appropriate validation checks to create a database which would answer these questions.

Field name	Validation Check
	none
	none
Price
