

Syllabus update

Cambridge IGCSE First Language Korean 0521 (for examination in 2015)

We have updated this syllabus. The latest syllabus is version 2, published April 2015.

Changes have been made to the cover indicating that Korean is now only available for examination in June.

Changes have also been made to page 6, 3. Assessment at a glance, section 3.2 Availability

Since IGCSE Korean is no longer available in November, reference to availability in November has been deleted.
