Grade thresholds taken for Syllabus 0678 (Spanish) in the October/November 2013 examination.

	maximum mark available	minimum mark required for grade:				
		Α	С	E	F	
Component 1	48	31	23	13	10	
Component 2	65	47	32	22	17	
Component 3	100	80	60	40	30	
Component 4	50	35	19	11	7	

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it. Grade A\* does not exist at the level of an individual component.

The thresholds for the syllabus are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A\* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is 398.

The overall thresholds for the different grades were set as follows.

<b>A</b> *	Α	В	С	D	E	F	G
328	283	238	194	158	122	91	60

Grade Thresholds are published for all Cambridge International AS/A Level and Cambridge IGCSE subjects where a corresponding mark scheme is available.
