

MARK SCHEME for the May/June 2014 series

0408 WORLD LITERATURE

0408/03

Paper 1 (Set Text), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2014 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

Introduction

All questions on Paper 3 are marked out of 25.

The assessment objectives for the paper are:

AO1: detailed knowledge of the content and form of literary texts drawn from different countries and cultures

AO2: engagement with writers' ideas and treatment of themes, and appreciation of how texts relate to wider contexts

AO3: recognition and appreciation of how writers create and shape meanings.

The General Descriptors cover marks from 0 to 25, and apply to the marking of each question. They guide examiners to an understanding of the qualities normally expected of, or typical of, work in a band. They are a means of general guidance, and must not be interpreted as hurdle statements.

For the purposes of standardisation of marking, they are to be used in conjunction with photostats of candidates' work produced in the examination.
