Paper 2

7100/02 October/November 2008 2 hours

Additional Materials: Answer Booklet/Paper

READ THESE INSTRUCTIONS FIRST

If you have been given an Answer Booklet, follow the instructions on the front cover of the Booklet. Write your Centre number, candidate number and name on all the work you hand in. Write in dark blue or black pen. Do not use staples, paper clips, highlighters, glue or correction fluid.

Answer any **four** questions.

The businesses described in this question paper are entirely fictitious.

At the end of the examination, fasten all your work securely together.

The number of marks is given in brackets [] at the end of each question or part question.

This document consists of 7 printed pages and 1 blank page.

Answer any four questions.

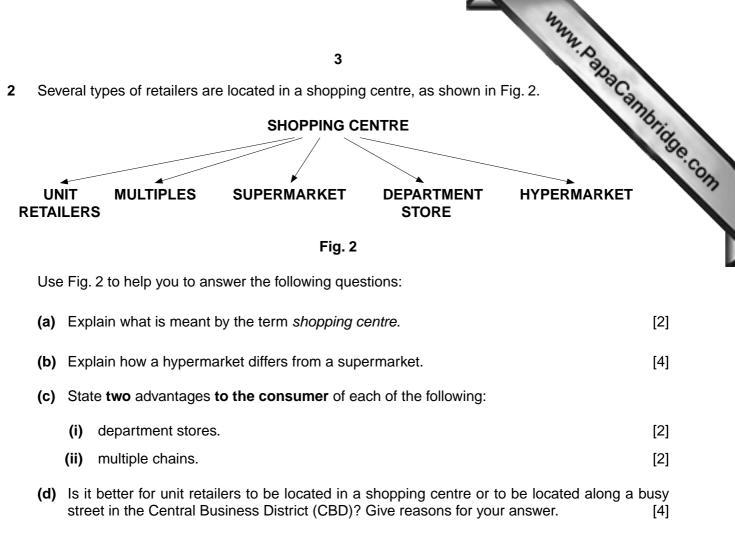

1 Fig. 1 shows an extract from an article about people working in the fishing industry.

www.papacambridge.com Many people work in the fishing industry or in jobs connected with it. Abdul works as a fisherman for a fishing company. Phil has a job in the fish processing factory. Asram owns a wholesale company which buys canned fish from the fish processing factory. Silvia is the manager of a small shop which sells fish. Brian delivers fish from the factory to the shop. Rita works as a clerk in the bank where the fishing company has its bank account.

Fig. 1

Use Fig. 1 to help you to answer the following questions:

(a)	(i)	Identify a primary occupation given in Fig. 1.	[1]
	(ii)	Identify a tertiary occupation given in Fig. 1.	[1]
(b)	Exp	lain the differences between primary and secondary occupations.	[3]
(c)	Should the fish processing factory sell through Asram's wholesale company or should it sell directly to shops? Give reasons for your recommendation. [4]		
(d)	Silvia is planning a new advertising campaign for the shop.		
	(i)	Would posters and leaflets be more effective than television? Give reasons for your opinion.	[3]
	(ii)	State two methods of sales promotion that Silvia might also use.	[2]
(e)	How	r might the bank that Rita works for assist the fishing company to run its business?	[6]

(e) Does the growth of e-commerce present a threat or an opportunity to the shops in the shopping centre? Discuss this statement. Give reasons for your opinion. [6]

- 3 Miss Solomon wishes to obtain insurance cover for a new car. She is obtaining qu several insurance companies.
 - (a) Why should Miss Solomon insure her new car?
 - (b) Explain why Miss Solomon should obtain quotations from several insurance companies.
- www.papaCambridge.com (c) Miss Solomon will complete a proposal form provided by the insurance company she decides to use. Why is this necessary? [4]
 - (d) Explain two reasons why an insurance company may refuse to provide Miss Solomon with a motor insurance policy. [4]
 - (e) Miss Solomon could use an insurance broker or she could contact several insurance companies to arrange motor insurance. Discuss **both** options. Which would you recommend? Give reasons for your answer. [6]
- Fig. 3 shows factors which may influence the location of a business. 4

Nearness to raw materials Cheap labour supply Adequate power supply Car parking Good transport system Nearness to customers Availability of government grants Nearness to suppliers

Fig. 3

Use Fig. 3 to help you to answer the following questions:

- (a) State two factors from Fig. 3 that a large retail company would take into account when opening a new shop. [2]
- (b) (i) State two factors from Fig. 3 that a multinational manufacturing company would take into account when locating to a developing country. [2]
 - (ii) Explain why each of these two factors is important for the multinational company. [4]
- (c) Explain why multinational companies are becoming increasingly important in the global [4] economy.
- (d) A multinational company selling fast food operates its outlets as franchises.

(i)	What is meant by the term franchise?	[3]
