

**CAMBRIDGE INTERNATIONAL EXAMINATIONS**

Cambridge Ordinary Level

## **MARK SCHEME for the May/June 2015 series**

### **2010 LITERATURE IN ENGLISH**

**2010/22**

Paper 2 (Drama 22), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2015 series for most Cambridge IGCSE<sup>®</sup>, Cambridge International A and AS Level components and some Cambridge O Level components.

® IGCSE is the registered trademark of Cambridge International Examinations.

### **Assessment Objectives**

The Assessment Objectives are evenly weighted across each question. The assessment objectives for the paper are:

**AO1** show detailed knowledge of the content of literary texts, supported by reference to the text

**AO2** understand the meanings of literary texts and their context, and explore texts beyond surface meaning to show deeper awareness of ideas and attitudes

**AO3** recognise and appreciate ways in which writers use language, structure, and form to create and shape meanings and effects

**AO4** communicate a sensitive and informed personal response

The Band Descriptors cover marks from 0 to 25, and apply to the marking of each question. They guide examiners to an understanding of the qualities normally expected of, or typical of, work in a band. They are a means of general guidance, and must not be interpreted as hurdle statements. For the purposes of standardisation of marking, they are to be used in conjunction with the Practice and Standardisation scripts discussed during the coordination meeting and with Team Leaders, as well as the question-specific notes.
