1.3	How important was the Government of India Act 1935?	<p>each of the Conferences (perhaps in 3 groups) and enter the relevant facts in each column. An alternative to this exercise would be for the teacher to construct a number of facts related to the Conferences and the headings of the table and ask the students to place them in the correct order. Again students could work in groups.</p> <p>An exercise designed to develop the students' understanding of the difference between description and explanation should be set whereby they write a few sentences explaining why each Conference succeeded and /or failed.</p>	<p>Pakistan.
