I watched a television programme yesterday about life on a desert island. Ten people decided to go there to escape from the noise of the city.

I wouldn't like it. It was very hot all the time and there were lots of insects and dangerous animals.

The people had to build houses themselves, look for food and cook it on a fire. If they didn't find anything, they were very hungry. Some people didn't want to fetch water from the river and they began to quarrel.

'We all wanted to leave after a week,' said one of the girls 'but the television company refused to let us. It wasn't fair. Even if they offered me a fortune I wouldn't do it again. I was so pleased to see cars, supermarkets and lots of people when I came home!'
