3 Translate into **Spanish**.

It was a wonderful idea to go and stay with my aunt and uncle in Valencia last summer. I would never have believed it as I have only been learning Spanish for one year, but I had a fantastic time.

My cousins, Rafael and Mónica, were very kind to me. We went out together nearly every day and I met their friends. One Sunday we had a party on a nearby beach. We organised everything ourselves, prepared the food and bought drinks. After eating we talked then went for a swim in the sea. We had a marvellous time.

My favourite day was when we visited an old castle. It took us an hour to get there but it was worth it because we were able to spend a day living as people did 300 years ago. We were given the correct clothes to wear and ate typical food of the time. Fortunately I didn't have to sleep there because it was so dark inside!

I have improved my Spanish and made new friends. I will definitely visit my family again next year.
