be used for this
paper**

1 British Ships plc makes and sells a range of ships including ferries.

- (a) (i) Complete the table by ticking (✓) **two** boxes which correctly describe features of a public limited company.

	Tick (✓) two boxes	
a		Shares can only be sold to family and friends.
b		The owners have unlimited liability.
c		A company whose shares are sold on the stock exchange.
d		A company which has the letters plc after its name.

[2]

- (ii) There are two ways in which British Ships plc can raise finance to help build its range of ships.

1. Bank loan
2. Share issue

Choose **one** of the ways. Explain why the chosen way may be better than the other way of raising finance.

Choice

Reason

.....

.....

.....

.....

..... [3]

- (iii) Explain why it is important that British Ships plc can build and sell a range of different ships.

.....

.....

.....

..... [2]

Look closely at the information. Decide which is the best location for British Ships plc. Give reasons for your answer. You should refer to both locations in your answer.

..... [115]

- | | Explanation |
|------------------------|--|
| Social Costs | Costs paid by the rest of society, other than the business, as a result of a business decision |
| Social Benefits | Benefits to the rest of society as a result of a business decision |

-2

- (ii) Explain why a business should consider social costs when choosing its location.

.....

.....

.....

..... [2]

- (d) In 2009, British Ships plc won a major contract to build five large ships. This led to changes in its share price.

Fig. 1

Using the data shown in Fig. 1, explain the possible relationship between British Ships plc winning a major contract and a change in its share price.

.....

.....

.....

.....

.....

..... [3]

(e) British Ships plc has many workers and its chain of command is long.

(i) Draw **one** line which correctly matches chain of command with its explanation.

EXPLANATION

The number of employees answerable directly to a manager.

CHAIN OF COMMAND

The number of departments within a company.

A line of authority within a business which allows orders to be passed down from people at the top of a business to those at the bottom.

[1]

(ii) Explain **one** advantage and **one** disadvantage to British Ships plc of having a long chain of command.

Advantage

.....

.....

.....

Disadvantage

.....

[Total marks: 31]

2 Quality Build plc is a large UK based company which builds houses in the UK.

- (a) Give **one** advantage and **one** disadvantage to Quality Build plc of running the company as a public limited company.

Advantage

.....

.....

.....

Disadvantage

.....

.....

..... [4]

- (b) The company, Quality Build plc, is (said to be) part of the manufacturing sector of the economy. Fig. 3 shows data on the number of workers in the UK manufacturing sector.

Fig. 3

Using the data shown in Fig. 3, give **two** reasons why the trend in employment in the manufacturing industry has happened.

Reason 1

.....

Reason 2

.....

Explain whether the government should be worried by the changes shown.

.....

.....

.....

..... [6]

Event	<u>Likely</u> to increase the number of houses needed to break-even	<u>Unlikely</u> to increase the number of houses needed to break-even
A rise in house prices		
A rise in the number of businesses selling houses		
A rise in the price of bricks		

(d) Currently, Quality Build plc employs all of its plumbers as full-time employees. The management is considering outsourcing the plumbing work to other businesses, rather than employing its own plumbers.

..... [4

- (e) The Financial Director of Quality Build plc is reviewing the financial situation of the business. She produced the following financial information.

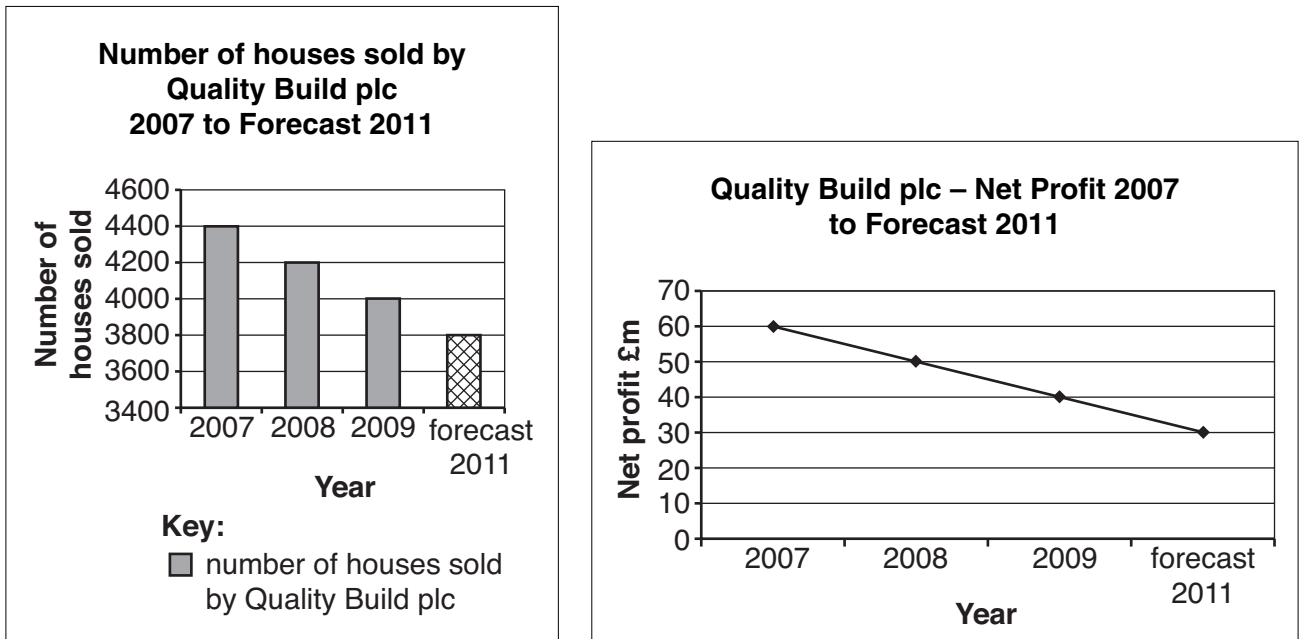

Fig. 4

- (i) State which year had **both** the highest number of houses sold and the highest net profit.

..... [1]

- (ii) Using Fig. 4, explain (to the Financial Director) what the data may mean for Quality Build plc.

You should refer to both graphs in your answer.

.....

.....

.....

.....

.....

.....

.....

.....

..... [4]

- (iii) Quality Build plc is concerned about the average price of houses in the future. Fig. 5 shows the recent and forecast average price of houses in the UK.

		2008	Forecast 2011
FORECAST 1	Average price of houses sold	£155 000	£150 000
FORECAST 2	Average price of houses sold	£155 000	£140 000

Fig. 5

Explain whether Forecast 1 or Forecast 2 will have the biggest effect on Quality Build plc. You should refer to both forecasts in your answer.

.....

.....

.....

.....

.....

..... [3]

- (f) The following headline recently appeared in a national newspaper.

**Making new houses more environmentally friendly
will add 15% to total building costs**

Should Quality Build plc be worried by this headline?
Give reasons for your answer.
